

## THE SPACIOUS TRANSPORT CASE THAT CONVERTS INTO A STYLISH COUNTER.

Counter Case is a rugged and spacious transport case that easily converts into a stable yet stylish counter. It features a sturdy folding countertop in your choice of finish, two internal storage shelves and a graphic front panel for your messaging. Counter Case is ideal for storing and shipping pop-up displays but can also be used for the transportation of other portable display systems.

### FEATURES

- From case to counter in a minute
- Sturdy internal storage shelves
- 3 colour options for countertop
- Case pack volume of 7 cubic feet
- Store & transport portable displays

The counter case is designed for a maximum pack volume of 196 liters.

Materials are carefully selected for durability and user friendliness.

### Standard Package

The Counter Case comes complete with a folding countertop, two internal shelves, kicker panel to conceal the wheels, velcro mounting bars and protective tube for the front graphic panel.

### Countertop Options

The folding countertop is offered in your choice of three colours: silver, oak and stone.

### Internal Shelves

The included plastic shelves offer discreet storage and come with a padded carry bag for increased protection.

### Packing & Storage

The case is designed with straight corners to fully make use of the pack space for a maximum pack volume of 196 litres.
