

## A CLEVER NON-TRADITIONAL POP-UP DISPLAY SYSTEM.

The Express fabric pop-up is a versatile display system that can be used for a variety of applications including trade shows, media presentations, retail showrooms, sporting events and corporate meetings. The weaving and twisting of the fabric graphics between two separate planes creates unique visual impact.

Create unique 3D effects by layering or slanting flag fabric graphics

Express is a cost-effective solution for easily swapping your target message
