

THE COMPACT & LIGHTWEIGHT COUNTER SOLUTION FOR YOUR DISPLAY.

The Fabric Counter is the practical starting point for all marketing activities. The printed fabric wraps around the frame and at the back there is access to two shelves which are ideal for storing brochures and personal items. Combine with your choice of any of our displays for a full showcase solution.

FEATURES

- Compliments fabric pop-up display
- Lightweight & easy to set-up
- 2 internal storage shelves
- 3 colour options for countertop
- Optional wheeled transport bag

Internal shelves provide storage

Optional transport bag on wheels

Internal Shelves

The Fabric Counter includes two clear plastic internal shelves for storage.

Countertop Options

The countertop is offered in your choice of three colours: white woodgrain and silver.

Collapsing Frame

Similar to a pop-up display, the frame locks in the expanded upright position and collapses for compact transport and storage.

Optional Transport Bag

An optional padded transport bag with pull-up handle, shoulder strap and wheels is available.
