

FEATURING QUICK GRAPHIC REPLACEMENT WITH THE PUSH OF A BUTTON

The Supreme offers excellent features and value. Although deeper than typical banner stand models, its design does not require a protruding stabilizer foot and its thin profile minimizes the visible hardware below the graphic. The base features a push button removable cartridge for changing graphics as well as adjustable leveling feet.

Sturdy wide base design and elegant chrome plated end caps make the Supreme stand out.

Supreme comes with a convenient padded carry bag equipped with a shoulder strap.
