

A **SOPHISTICATED** PODIUM WITH **MODERN** APPEAL.

It's okay to get attached to this contemporary podium once you realize its potential! Easy to assemble while packing small is only one of its key features. Add modular accessories to its structural aluminum sides such as literature holders or shelves. The magnet-on graphic panel proves effective for messages that require frequent updates. An optional internal shelf is available for added convenience. With all of these features and options, the Vario Podium is the perfect addition to any display space.
