POP-UP DISPLAYS **XTENSION**

THE **LIGHTEST** & **EASIEST** POP-UP DISPLAY **SET-UP**

Xtension is a pop-up display system with a vibrant dye-sublimation fabric graphic featuring unparalleled image quality and excellent color execution. The graphic remains attached to the structure so both set-up and dismantle are quick & simple. Xtension is a lightweight and compact solution you can carry anywhere with you!

The lightweight aluminum structure features adjustable feet and is the ideal solution for retail locations, events, trade shows & conventions.

The magnetic frame connectors and hook/loop graphic fasteners allow for set-up and dismantle of the display structure in less than 30 seconds.

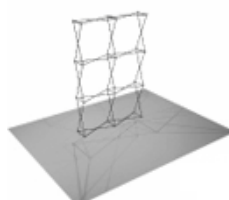

The hook side of the fastener is molded directly into the hubs of the frame offering optimal tension and easy changing of the graphics.
