

DISPLAY ACCESSORIES **ZEDUP**

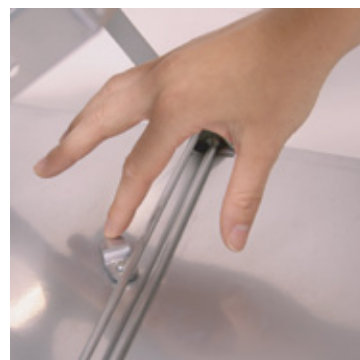

01 Expand unit by gripping top rack and lifting up.

02 Set bottom rack wheels into rectangular slots in the base.

03 Swing locking tab around to lock the unit in the expanded/upright position.

To collapse the unit, repeat set-up instructions in reverse.

WARNING: Ensure that the locking tab is disengaged before attempting to collapse & pack the ZedUp. Failure to do so will result in irreparable damage to the unit.
